

Career Information System

MY PLAN. MY CAREER. MY FUTURE.

Whether you are trying to decide what to do after high school or looking to make a plan to reach your goals, CIS 360 has the tools for you. Discover more about yourself, explore careers, and research education and scholarships that can help you get there. Everyone's career plan is different. Create your own individualized plan that is right for you using your personal interests and goals.

A NEW WAY TO EXPLORE EDUCATION & CAREERS

WHO AM I?

One of the best ways to explore careers is to understand more about yourself. Answer questions to discover your interests, values, likes and dislikes. Use these tools to discover a career you will enjoy!

WHERE AM I GOING?

There is a lot to consider when thinking about your career and education. Explore different careers. Learn what people do, how much they earn, and how to prepare for a career. Learn about training and school options. Find scholarships and financial aid. The more you know, the better career and education decisions you will make!

HOW WILL I GET THERE?

Now that you know about yourself and where you are going, the next step is taking action. Create a plan to apply for education after high-school and learn how to apply for financial aid. Create professional job search materials using the easy, step-by-step resume and cover letter builders. Enhance your career knowledge through job shadowing, networking, and informational interviewing.
